COVERAGE **DOWN THE ROAD**

Royal Protect is a fully insured product backed by more than 25 years of dependability. Whether you need repairs to your car as a result of a mechanical breakdown, roadside assistance or have general guestions regarding your coverage, we're there with the expertise to resolve any issues quickly. All Royal claims associates are experts in the field and have decades of experience in automotive claims and repair. With our state-of-the-art call center and our national coverage, immediate response to your needs are met.

New Vehicle Protection Lease Vehicle Protection Pre-Owned Vehicle Protection Substitute Transportation 24-Hour Roadside Assistance **Trip Interruption Intervention** 100% Backed 25 Years of Dependable National Coverage

Facts SERVICE every automobile owner should know:

- The average person drives 15,000 miles per year, dropping most owners out of factory warranty within 2.5 years.
- The average buyer will own a new vehicle for 7 years exposing the owner to significant repair costs for 4.5 years.

Now you can get extended protection for your new or pre-owned vehicle. Royal Protect Vehicle Protection is the choice for coverage, flexibility, and value with a selection of program levels designed to fit any vehicle or budget.

OPTIONAL COVERAGE

- Technology Group: The following Manufacturer-Installed components are covered: DVD Players; Radio; CD Players; Video and Gaming Systems; Navigation Systems, Back-up Camera, Parking Sensors.
- Seals and Gaskets: Seals and gaskets will be covered only if the Seals and Gaskets option is selected at the time of purchase and the appropriate surcharge is paid Note: Seepage of seals and gaskets is considered normal wear and tear and is not covered under this Service Contract.

SURCHARGES

CONTRAC

- Commercial Use Coverage (This Coverage is ONLY available on the Ultimate Coverage Plan, with the Term Expiration). Commercial Use is defined as any vehicle used as a necessary part of, or in conjunction with, Your employment. Commuting and car/van pools are not considered commercial use. **Any Véhicle which has any of the following features is not eligible for Commercial Use Coverage: Diesel, Turbo/Supercharger, Four-Wheel Steering, 4X4, AWD, and a snow plow or power take-off (whether equipped at time of Contract purchase or at a later date).
- 4 Wheel/All-Wheel Drive Coverage: If Your Vehicle is equipped with 4 Wheel/All-Wheel Drive, the following components are covered regardless of the Plan You purchased: 4 Wheel Drive Actuator and Locking Hubs
- Diesel: If You have a diesel Vehicle, an additional mandatory surcharge is applied.
- 1 Ton Vehicle: If You have a vehicle with a one ton gross vehicle weight capability, (GVW) an additional mandatory surcharge is applied.
- Turbocharger/Supercharger (factory installed only): All internal components contained within the Turbocharger/Supercharger Housing, Turbo Boost Valve, Turbo Waste Gate Actuator, Bearing, Bushing, and all other internal components, and Seals and Gaskets, Supply Line.
- Hybrid/Electric Vehicle: Electric Motor, Power Controller, Inverter Assembly, Generator, Drive Motor Temperature Sensor/Switch, Battery Cooling Fan Relay/Module, Damper, Electric Water Pump, Electric Air Conditioning Compressor and Battery Cooling Fan, Water Assembly Valve. A mandatory surcharge is applied if Your Vehicle is a hybrid or fully electric model.
